RE: Gulfco Marine Maintenance Superfund Site (the "Site")

Dear Gentlemen:

As a follow-up to my correspondence to you dated October 20, 2005, I am writing to confirm receipt of the Temporary Access Agreement (the "Agreement") transmitted therewith and to request that you please return same to me or contact me with any questions at your earliest convenience. As I mentioned in my prior correspondence, the U.S. Environmental Protection Agency ("EPA") has directed that an investigation, including off-site sampling, be conducted at the above-referenced Superfund Site. Therefore, permission to access your property is being requested in order to comply with EPA's directive.

For your reference and at the request of Mr. (b) (6), I am enclosing the EPA's Fact Sheet pertaining to this Superfund Site. I ask that if you have any further questions about this request, please contact me as soon as possible. Otherwise, please return three (3) signed originals of the Agreement to me in the pre-addressed, postage-paid envelopes that were provided to you in my previous correspondence. Once the Agreement is executed by the Respondents, an original will be returned to you.

Thank you for your prompt attention to this matter.

Best regards,

N. Tobias Smith
